

2020 Top Ranked Criminal Defense Attorneys

Congratulations to the 2020 Recipients to the
National Academy of Criminal Defense Attorneys

FOR IMMEDIATE RELEASE

WASHINGTON, DC – The National Academy of Criminal Defense Attorneys (NACDA) recently published its list of nationally ranked criminal defense attorneys. The NACDA recognizes the Top criminal defense attorneys in each state with the intent of helping consumers select well-qualified professionals when legal representation is needed.

“We are proud of the objectivity and meticulousness of our selection process,” said Pamela Farmer, Executive Director of the National Academy. “We know the NACDA is providing the public with a much-needed independent resource to help ensure just representation for individuals needing a good criminal defense attorney.”

Candidates must be licensed, in good standing with their local bar association and nominated by either a licensed practicing attorney or one of our in-house staff researchers. In addition, each attorney must have achieved meaningful professional recognition and earned the respect of their clients and peers. In the final stage of the NACDA’s 3 step selection process, NACDA’s processing committee selects a portion of the nominated attorneys to advance to the final selection stage. Reviews the finalists and selects the official Award Recipients from each state. The rankings are independent and free from commercial influence.

“We were thrilled with the number of quality nominations received from each state, and are very proud of all the attorneys that made our list,” said Farmer.

Founded in 2013, the National Academy of Criminal Defense Attorneys equips highly-qualified criminal defense attorneys with the most current continuing education opportunities and provides the public with the most accurate, up-to-date listings of qualified attorneys in their states. For more information about NACDA, contact Pamela Farmer, Executive Director of National Academy of Criminal Defense Attorneys, Inc., 855-384-6285, or visit the National Academy’s website, national-academy.net.
